#### 1990-2024 reference list worldwide

##### COLOUR LEGEND:

	POWER PLANTS AND MINES
	METAL INDUSTRY
	AUTOMOTIVE INDUSTRY
	OIL & GAS, PHARMACEUTICAL AND CHEMICAL INDUSTRY
	PULP AND PAPER INDUSTRY
	WATER SUPPLY AND TREATMENT, OTHER AREAS

USER	APPLICATION	PROJECT DELIVERY	YEAR
ZILLA Trading LLC, Italy	Wire Rod Line	Electrical design, equipment supply, erection and commissioning	2024
CSN (Companhia Siderurgical Nacional), Brasil	BLAST FURNACE 2 CASTHOUSE MACHINE	DESIGN ENGINEERING AND CABINETS MANUFACTURE for auxiliary system	2024
BMW Steyr, Austria	Automotive (GM06 - Gearbox assembly line)	Complete automation (Design engineering, SW development, for PLC and robot, commissioning on site)	2024
BMW Steyr, Austria	Automotive (EM06 - Motor assembly line)	Pneumatic and Lubrication plan design engineering	2024
BMW Steyr, Austria	Automotive (EM06 - Motor assembly line)	Complete automation (Design engineering, SW development, for PLC and robot, commissioning on site)	2024
INA Oil Industry Zadar, Croatia	Jet Fuel station	Main design for Mechanical & Piping & Electrical & Civil & I&C design	2023
ADB Impianti, Italy	Crane	Software (PLC and HMI) Development and Commissioning	2024
ENEL, Ventotene, Italy	Power plant	SW commissioning of a protection and measurement devices power system	2024
CORINTH PIPEWORKS THISVI, Greece	Tube Mill	Electrical equipment and automation system for upgrade of pipe transport (3rd welder)	2024
Acroni, Jesenice, Slovenia	Coating line	Software development (Master PLC and Auxiliary PLC) Software commissioning on site	2024
Alcoa, Mosjøen, Norway	Increasing capacity of potline 2 of aluminum smelter	Delivery of bridge ABB-Rockwell, SW engineering on existing ABB and new Rockwell and commissioning	2024
Duferco Makstil AD Skopje, North Macedonia	Magnet 35 kW	Electrical design, equipment supply, SW engineering, supervision on erection & commissioning	2023
Duferco Makstil AD Skopje, North Macedonia	Continuous Casting Machine No. 3	Electrical design and equipment supply for refurbishment of drives	2023
Duferco Makstil AD Skopje, North Macedonia	Continuous Casting Machine No. 3	Electrical design and equipment supply for refurbishment of control	2023
Arcelor Mittal Steel Zenica, Bosnia & Herzegovina	Power center for Schlatter 1 & 2 machines, replacement of circuit breakers for Schlatter 1 machine	Electrical design, equipment supply, erection and commissioning	2023
INA Oil Industry Rijeka, Croatia	Oil refinery Rijeka - delivery of biofuel (FAME)	Main design for Mechanical & Piping & Electrical & Civil & I&C design	2023
BMW Steyr, Austria	Automotive (EM05 - Motor assembly line)	Complete automation (SW development, for PLC and robot, commissioning on site)	2023
Magnetto, Germany	Automotive (Floor assembly line)	Design engineering, complete automation (SW development and commissioning for PLC & robot (virtual and on site)), cabinets field installation	2023

#### COLOUR LEGEND:

	POWER PLANTS AND MINES
	METAL INDUSTRY
	AUTOMOTIVE INDUSTRY
	OIL & GAS, PHARMACEUTICAL AND CHEMICAL INDUSTRY
	PULP AND PAPER INDUSTRY
	WATER SUPPLY AND TREATMENT, OTHER AREAS

USER	APPLICATION	PROJECT DELIVERY	YEAR
DAIMLER eATS Germany	Automotive (Power Train shop Main production line)	Complete automation (SW development, virtual commissioning, commissioning on site, remote assistance)	2023
DAIMLER eATS Germany	Automotive (Power Train shop Auxiliary production line)	Complete automation (SW development, virtual commissioning, commissioning on site, remote assistance)	2023
CASSIOPEA, Italy	LNG Pipeline	Loop diagram development	2023
Ferrero Arlon, Belgium	Revamping of old warehouse	Electrical design, cabinet manufacturing, erection, assistance during commissioning	2022
EURONA (Edemissen), Germany	Concrete production plant	Site installation (electrical)	2022
Waterville, USA	Civil (ropeway)	Site installation (electrical)	2022
Duferco Travi e Profilati San Zeno Naviglio Brescia, Italy	Water Treatment Plant Within Rolling Mill	Electrical design and cabinet manufacturing for PLC, MCC & drives	2022
SSAB Lulea, Sweden	Coke Oven Plant	Electrical design and cabinet manufacturing	2022
NESTE, Netherlands	Hydrogen Plant	Electrical design and cabinet manufacturing	2022
L'Aquila, Italy, Luxe Coat	Aluminum Cold Rolling mill	Revamping for automatic coil charging & discharging	2022
Arcelor Mittal Steel Zenica, Bosnia & Herzegovina	Coke oven plant, loading machine movement control improvement	Equipment supply, software engineering, erection and commissioning	2022
Arcelor Mittal Steel Zenica, Bosnia & Herzegovina	Wire rod mill, replacement of DC motor	Drives engineering and commissioning	2022
TERNIUM, Mexico	Air Knife machine	Electrical design and cabinet manufacturing	2022
Duferco Makstil AD Skopje, North Macedonia	Hot Rolling Mill	Refurbishment of motors and drives at descaling and X-ray and integration in existing control system	2022
Steel Dynamics Inc., USA	Air Knife machine x2 set	Electrical design and cabinet manufacturing	2022
AM VEGA, Brazil	Oiling machine x2 set	Electrical design and cabinet manufacturing	2022
FRAMAG, Austria	Billet cutting machines	Commissioning support	2022
INTERPIPE NIKO TUBE, Ukraine	6-roll straightening machine	Software development (PLC & HMI), software commissioning	2022
SDI Automazione Italy	Solar power plant	SCADA software development & remote commissioning and remote assistance	2022
Croatian Energy Project, (Belišće) Croatia	Biomass power plant, CEP1	Detailed design for I&C design engineering	2022
MAR-MAR d.o.o. Zagreb, Croatia	Civil (energy efficiency improvement)	Supervision of construction works	2022
GENERA d.d. (part of Dechra Group) Zagreb, Croatia	Pharmaceutical industry	Technical solution for vacuuming of homogenizer	2022
SCOTT BADER Zagreb, Croatia	Chemical plant	Conceptual design for I&C design engineering	2022
GAVRILOVIĆ Zagreb, Croatia	Tank conversion	Detailed design for I&C design engineering	2022

## AUTOMATION

### 1990-2024 reference list worldwide

**COLOUR LEGEND:**

	POWER PLANTS AND MINES
	METAL INDUSTRY
	AUTOMOTIVE INDUSTRY
	OIL & GAS, PHARMACEUTICAL AND CHEMICAL INDUSTRY
	PULP AND PAPER INDUSTRY
	WATER SUPPLY AND TREATMENT, OTHER AREAS

USER	APPLICATION	PROJECT DELIVERY	YEAR
INA Oil Industry Rijeka, Croatia	Oil refinery Rijeka - recovery of tank 331-SA-011	Detailed design for I&C and electrical design Fire protection study and EX-zone classification	2022
INA Oil Industry Rijeka, Croatia	Oil refinery Rijeka - recovery of tank 333-SC-019	Detailed design for I&C design Fire protection study	2022
INA Oil Industry Rijeka, Croatia	Oil refinery Rijeka - pipeline reconstruction	Detailed design for Mechanical & Piping & Civil design	2022
INA Oil Industry Rijeka, Croatia	Oil refinery Rijeka - delivery of biofuel (FAME)	Conceptual design for Mechanical & Piping & Electrical & Civil & I&C design	2022
Pliva, Croatia	Fine chemical plant - production line (SUGAMADDEX)	I&C and electrical design engineering	2022
Pliva, Croatia	Fine chemical plant - production line (OMEPRAZOL i HKT)	I&C and electrical design engineering	2022
Croatian Energy Project, (Šibenik) Croatia	Biomass power plant, CEP1	Design engineering, cabinets manufacturing, site installation, commissioning Software development (PLC & HMI), software commissioning	2022
INGENIUM TEHNOLOGIJE d.o.o.	Solar power plant construction project	Creation of the conceptual and main electrical design of the solar power plant DC power 300kWp	2022
INGENIUM TEHNOLOGIJE d.o.o.	Solar power plant construction project	Creation of the conceptual and main electrical design of the solar power plant DC power 250kWp	2022
PWL, Germany	Biomass cogeneration plant	PCS7 software development, commissioning and remote assistance	2022
VW, Germany	Automotive (Conveyer line after furnace)	Complete automation (SW development, virtual commissioning, commissioning on site)	2022
DAF, Belgium	Automotive (Engine assembly line)	Software commissioning	2022
SIA BUVE 55, Latvia	Biomass power plant, CEP1	Design engineering, cabinets manufacturing, site installation, commissioning Software development (PLC & HMI), software commissioning	2022
SIA BUVE 55, Latvia	Biomass power plant, CEP2	Design engineering, cabinets manufacturing, site installation, commissioning Software development (PLC & HMI), software commissioning	2022
BMW Dingolfing, Germany	Automotive (Battery installtion in chasis line)	Software commissioning	2022
BMW Regensburg, Germany	Automotive (Battery installtion in chasis line)	Software commissioning	2022
VOLVO, USA	Automotive (XC90 Production line)	Complete automation (SW development, virtual commissioning, commissioning on site)	2022
Trans Adriatic Pipeline - Greece, Albania and Italy	Gas pipeline compressor stations	SW commissioning in all 4 stations and remote assistance	2021

	POWER PLANTS AND MINES
	METAL INDUSTRY
	AUTOMOTIVE INDUSTRY
	OIL & GAS, PHARMACEUTICAL AND CHEMICAL INDUSTRY
	PULP AND PAPER INDUSTRY
	WATER SUPPLY AND TREATMENT, OTHER AREAS

USER	APPLICATION	PROJECT DELIVERY	YEAR
SCHWENK Beton (Berlin), Germany	Concrete production plant	Site installation (electrical)	2021
THOMAS ALLTON GmbH (Leipzig), Germany	Concrete production plant	Site installation (electrical)	2021
Ferrero, Arlon, Belgium	New automatic warehouse	Electrical design, cabinet manufacturing, erection, assistance during commissioning	2021
JISCO steel, China	Air Knife machine	Electrical design and cabinet manufacturing	2021
Al Amjad Steel Factory, Khartoum, Sudan	3-High rolling mill	Refurbishment of main mill drive and integration in existing control system	2021
Duferco Makstil AD, Skopje, North Macedonia	Slab handling	Refurbishment of automation and drives	2021
VOLVO, USA	Automotive (S90 Production line)	Complete automation (SW development, virtual commissioning, commissioning on site)	2021
JANAF d.d. (Žitnjak), Croatia	New additive dosing system	Conceptual design, Basic and Detail design for Mechanical & Piping & Electrical & Civil & I&C design	2021
NLMK, Russia	Gas Recovery Plant	Software development (PLC and visualization)	2021
NLMK, Russia	Gas Recovery Plant	Software development (SIMIT)	2021
BMW, Germany	Automotive (Rotor winding line)	Complete automation (SW development, virtual commissioning, commissioning on site and remote assistance)	2021
JANAF d.d. (Žitnjak), Croatia	Tanks reconstruction	Conceptual design, Basic and Detail design for Mechanical & Piping & Electrical & Civil & I&C design	2021
NLMK, Russia	Gas Recovery Plant	Electrical design, cabinet manufacturing	2021
Nakhchivan, Azerbaijan	Transportation	Rope lift commissioning	2020
Dubai, UAE	Civil	Dubai wheel commissioning	2020
ELVAL, Greece	Water system	Support in commissioning	2020
Nucor steel Kankakee, USA	Wire rod mill	L2 software development	2020
El Marakby Steel, Egypt	Wire rod mill	Material tracking software development	2020
Boehler, Voestalpine, Austria	Rolling mill	SIMIT simulation software development	2020
Boehler, Voestalpine, Austria	Rolling mill	L2 software development	2020
Sider el Hadjar, Annaba, Algeria	Injection of pellets at blast furnace HF2	Software engineering, commissioning and remote assistance	2020
Misco, Oman	Rolling Mill Plant	Software engineering, tracking and commissioning	2020
Mukand Sumi Special Steel Ltd., India	Rolling Mill Plant - PSM	Software engineering, commissioning	2020
STC, Germany	Metal	Cabinet manufacturing	2020
VIZAG, India	Forging	Software development and commissioning of tracking system	2020
Krakatau, Indonesia	Rolling mill	Installation and supervision	2020
BMW, Germany	Automotive (battery assembly station)	Complete automation (SW development, virtual commissioning, commissioning on site)	2020
JANAF d.d. (Omišalj), Croatia RN Rijeka (Urinj), Croatia	Multiproduct pipeline	Conceptual design	2020

	OIL & GAS, PHARMACEUTICAL AND CHEMICAL INDUSTRY
	PULP AND PAPER INDUSTRY
	WATER SUPPLY AND TREATMENT, OTHER AREAS

USER	APPLICATION	PROJECT DELIVERY	YEAR
JANAF d.d., Croatia	Petroleum products handling	Electrical and mechanical design engineering study analysis	2020
Pliva, Croatia	Pharmaceutical industry, Scrubber cooling	Instrumentation and electrical design engineering	2020
GM, USA	Automotive	Cabinet manufacturing	2020
Flamespray, Croatia	Chemical industry	Installation and software adjustment in UniOP panel	2020
Koncar, Croatia	Power Plant and Electric Traction Engineering	Design, manufacturing, software development, installation and commissioning.	2020
Pliva, Croatia	Pharmaceutical industry	Instrumentation and electrical design engineering	2020
Pliva, Croatia	Pharmaceutical industry	Instrumentation and electrical design engineering	2020
Karachaganak Petroleum Corporation (KPC), Kazahstan	Oil and gas	KPGDBN, Drives commissioning	2020
TechnoSwiss, Chile	Mining	Fog cannon commissioning	2020
Bonatti, Italy	Oil and gas	DCS consulting and engineering	2020
HAC, Croatia	Traffic and transporatation	Maintenance	2019
Hydema Adriatic, Croatia	Marine	Design, manufacturing, software development, installation and commissioning for a winch control	2019
Hotel Westin, Zagreb, Croatia	MCC for cooling pumps	Electrical Design engineering, manufacturing, erection and commissioning	2019
NLMK Dansteel A/S, Denmark	Slab reheating furnace	Electrical Design Engineering	2019
HBIS, Serbia	Hot strip mill	SW engineering and commissioning	2019
Boltex, USA	Metal	Cabinet manufacturing	2019
SMS Group, Italy	Rolling mill	L2 software development	2019
TehnoSolving, USA	Pipe mill	Software development and commissioning	2019
Mukand, India	PSM	Software development and commissioning	2019
Natron, Bosnia and Herzegovina	Metal industry	Installation and software adjustment in UniOP panel	2019
RSB Kocks, China	Rolling mill	Software development and commissioning	2019
Timken Steel, Canton, Ohio, USA	Pipe & bar sawing machine 2 (KKS 800)	SW engineering and commissioning	2019
Posco, Pohang, South Korea	WRM2 – Pouring Reel Line	Electrical Design engineering and manufacturing of PLC, RIOs, MCCs and multidrive	2019
Ovako AB, Smedjebacken, Sweden	Meltshop – vacuum degasser	Electrical Design engineering and manufacturing of PLC, RIOs, MCCs and drives automation	2019
Timken Steel, Canton, Ohio, USA	Pipe & bar sawing machine 1	SW engineering and commissioning	2019
Tula, Russia	Bar and wire rod mill	Software development and commissioning of tracking system	2019
Beckhoff, USA	Section mill	L2 software development and commissioning	2019
SMS Group, Germany	Rolling mill	L2 software development	2019
LSW, Germany	Rolling mill	Software commissioning	2019
PJSC LLYICH Iron steel, UA	Roughing mill	Drives commissioning	2019
Framag, Austria	Cutting machine	Support for FAT	2019
